

## 2015 TG Summit Results

Changes became effective on Monday, December 7, 2015

Results:

*(Note: To pass, an item must receive 66% of the votes. If less than 66% and more than 50% of the votes, the item failed but can be re-introduced and the next TG Summit as an agenda item.)*

1) Should the rules be changed to allow the inclusion of "sub-gauge" shotguns such as 28 and 32 gauge for Buckaroos/Buckarettes?

For - 99.63% Against - .037% **PASS**

2) Should the MSV for retrieval of dropped/ejected ammo be deleted?

For - 88.56% Against - 11.07% **PASS**

3) Should the equipment regulations for gunfighter-style shooters be changed to allow the "butt forward" carry/Cavalry "twist" draw?

For - 83.76% Against - 16.24% **PASS**

4) Should the penalty for not holstering revolvers at the end of the revolver shooting string be changed from a MSV to a Procedural penalty?

For - 85.61% Against - 14.39% **PASS**

5) The Stage/Match DQ for failure to adhere to the command of "cease fire" was **removed from the agenda**. It was universally accepted that when a shooter willfully continues to shoot after the command "cease fire" they should be done for the day. Wording, in a clarification, will add verbiage to that effect. There is no change in the match DQ, but the additional verbiage will describe willful or a deliberate refusal to cease fire.
